Member Claims (the "Omnibus Objection")¹ filed herewith. If called upon to testify, I would testify competently to the facts set forth in this Declaration and the Omnibus Objection. I am authorized to submit this Declaration on the Debtor's behalf.

- 3. After reviewing the Claims, the Debtor has determined that the Claims are subject to reduction and/or disallowance because the amount of each of the Claims far exceeds the amount paid by the Claimants to the Debtor. Each of the Claimants is a member or former member of the Debtor who is asserting a Claim or Claims against the estate based either on nothing or based on account of member benefits or member rewards. Each Claimant purchased or was given memberships to the Debtor and subsequently purchased or was given membership rewards. These rewards have no value outside of the Debtor's business. While I believe that most, if not all, of the Claimants received services from the Debtor at least equal to what was paid, the Debtor does not object to the Claimants retaining a claim in this case for the amount each Claimant actually paid.
- 4. The Debtor's books and records show that the Claimants paid the following amounts to Debtor for their memberships and membership rewards:
