GUN HANDLING, MARKSMANSHIP, AND TACTICAL TRAINING COURSES IN THE USE OF HANDGUN, SHOTGUN, AND RIFLE. SERVING THE NEEDS OF THE FIRST TIME GUN BUYER TO THE COMBAT MASTER.

A Message from the Founder and Director of Front Sight Firearms Training Institute:

Dr. Ignatius Piazza, Four Weapons Combat Master

I would like to thank you for your Interest in Front Sight Firearms Training Institute.

You probably have not heard of me before. I'm not a competitive shooter. I have not written any gun articles or published any books. I have not served in the military and I do not have any law enforcement experience. In fact, prior to 1988, I was just your average gun enthusiast. Then one evening, a group of anti-socials drove through my quiet neighborhood and blasted away at everything that represented the fruits of a decent work ethic.

During this random, drive-by shooting spree, I was struck by a sudden and frightening realization. Although I owned firearms and shot them regular-

ly at the range, I was never taught the skills required to use a gun when it is needed most—to defend one's life.

This revelation
began my quest for
training and ultimately
placed me under the
tutelage of Col. Jeff
Cooper, the Father of
Modern Pistolcraft and
Founder of The American
Pistol Institute— previously known as
Gunsite. The
Colonel's
weaponcraft doc-

trine rang

loud and true for me. After thirteen week-long courses and thousands of hours of practice over a three year period, I held Jeff Cooper's signature on EXPERT certificates in Special Pistol, Shotgun, Carbine, and Rifle courses.

As my expertise developed, Col. Cooper's teachings inspired me to reach others and thus Front Sight Firearms Training Institute was born.

A thirst for additional training and my search for an individual qualified to direct Front Sight's curriculum led me

I started at the

bottom and trained

to the top with the

best in the world.

Now you can too, if

you so desire.

Front Sight will

more than satisfy

your expectations

or I will pay for

your training. You

have my personal

guarantee.

to submachine gun courses taught by Chuck Taylor, who at the time was the only Four Weapons Combat Master in existence.

During the courses, I learned that Chuck was the Operations Manager in the early days at Gunsite under Jeff Cooper. Further inquiry revealed Chuck's credentials and experience to be extremely impres-

sive. What is

even more

impressive is

Chuck's
ability to impart his knowledge
to the class and bring the very
best performance out of his students. I know this as fact
because following the submachine gun courses, I spent over
six months training with Chuck
Taylor in an effort to prevail over
what many have failed and most
won't even attempt— The
Four Weapons Combat
Master test.

The more I trained with Chuck, the more I realized that his unbending philosophy of training students with only tactically proven techniques bonded perfectly with Front Sight's mission to train the warrior in you and refusing to compromise integrity for commercial or political interests.

I am extremely proud to inform you that on August 28, 1993, I became the second man in the world to secure a Four Weapons Combat Master certificate and later secured Chuck Taylor as Front Sight's Director of Curriculum

and Instruction.

You can count on Chuck lecturing and instructing at every course Front Sight offers. The rest of Front Sight's staff is drawn from law enforcement and military instructors with real life and death tactical experience—personally trained by Jeff Cooper and Chuck Taylor.

I have shared this information with you to illuminate Front Sight's lineage and from our lineage, give evidence of Front Sight's purpose and dedication.

Whether you just purchased your first firearm and need basic training or have handled guns for years and want to train up to the master level, Front Sight has the curriculum, facilities and instructors to bring out the most— and best in you.

Regardless of what the unenlightened in the world may say, remember this my friend— you are the weapon and your firearm is just a tool. Upon graduation, you will fully understand why Front Sight's motto is,

"Any gun will do—if you will do!"

Dr. Ignatius Piazza

Front Sight's Director of Curriculum and Instruction

The "Master's Master" Chuck Taylor

The only Four Weapons Combat Master in existence prior to 1993, Chuck Taylor earned his title in March of 1981 by being the first man in the world to successfully complete the near impossible course of fire using iron-sighted, unmodified pistol, shotgun, rifle, and submachine gun.

The "Master's Master" as he is respectfully referred to by the thousands of students he has trained over the years, Chuck Taylor began his combat weapons training in the military, where he earned EXPERT ratings with the M-1911 .45 pistol; M-1, M-14, and M-16 rifles; M-60 machine gun and M-79 40mm grenade launcher.

Airborne, Air-Assault, and RANGER qualified, Chuck Taylor's decorated combat tours left him with the real-world, tactical perspective of those who have spilled blood in battle. Chuck added to his wealth of experience by training Special Operations units in the United States, Europe, Africa, Latin America and the Philippines as well as law enforcement and military personnel from over 100 agencies including SWAT, Counter-Terrorism, and

the Tactical Response Teams for three consecutive Olympic Games.

Known as one of the best trainers in the world, Chuck Taylor's training techniques are in use internationally. Most recently, his Handgun and Assault Rifle techniques were formally adopted by the Swiss Army.

An experienced Big-Game hunter in North America and Africa, Chuck holds a dozen record animals acquired with rifle and handgun.

Chuck Taylor has written over 1000 articles dealing with Weapons and Tactics, Wound Ballistics, Special Operations and Big-Game Hunting. He has authored three books: The Complete Book of Combat Handgunning, The Fighting Rifle, and The Combat Shotgun and Submachine Gun.

Chuck Taylor is one of a select few. A man who has distinguished himself as a world-class author, lec-

turer, hunter, competitor, soldier, and instructor.

Front Sight
Firearms Training
Institute welcomes you to train

with Chuck Taylor,

the "Master's Master."

"Over the four years I've known Ignatius Piazza, our relationship has existed as student / teacher, then as friends, and now as business associates. During this time, he has consistently demonstrated the highest degree of integrity.

When he approached me to assist him in developing the best firearms training facility in the world, I was delighted, and immediately accepted. Together, we are completing the task."
