AMENDMENT TO MY OBJECTION

I Michel Deslauriers, am not a lawyer,

1. I am claimant number 82-1, claim submitted in the amount of \$4,410.00. When I submitted my proof of claim, I had submitted also proof of payment to Front sight for my life membership, also a copy of my membership page found on the Front sight webpage membership information. Susan K. Seflin from the liquidating Trustee claims not to have any records of me paying more than \$2,891. They also claim I did not attach any evidence to the proof of claim, which I did. At the same time, they want to settle by offering me an unsecure claim of \$2,891. Here included is the proof that I did pay \$4,410. As per Ignatius Piazza's emails sent to me on December 5 2013 and on November 28 2014, stipulating that my account had been payed off. My unsecure claim is of \$4,410

Regards

Thanks Michel – you current balance is now \$400. If you were to make a single lump-sum payoff that amount would be \$280 reflecting a 30% discount and savings.

Thanks Michel - I show that the original agreement was for 90 payments of \$49 for a total of \$4,410.00. To date you have paid \$2,891.00 leaving a balance of \$1,519.00. Your last payment will be on 7/1/2016. Any time you wish to make a single lump-sum payment we will discount the balance by 30% making today's balance a \$1,063 payoff.

We do not have any records of you paying more than \$2,891. Rather than spend the time and money to get a copy of the refund check, we are offering to agree to a general unsecured claim in the amount of \$2,891. You did not attach any evidence to the proof of claim that you filed in the amount of \$4,410, and you did not attach any evidence to the response you filed to the claim objection. You have no evidence you actually spent \$4,410.

I will take your response as a rejection of our offer to resolve this for an allowed general unsecured claim in the amount of \$2,891.

hello

well the amount was actually supposedly sent to me BEFORE any of the proceedings ... which means that front sight had agreed to refund me this amount of \$2,891.00 as a refund . other than that , as i NEVER received anything , you don't have any other reasons to disqualify me ( Front sight wrongfully stipulating that i had received a refund , because they can't by other means , disqualify my claim )then for the total amount that i paid (\$4,400), so the amount to be put up as an unsecured claim has then to be \$4,4100

ps i still would like to see the « so called proof of payment » that Front sight claims to have in they're books ..

Hi Michael –

The liquidating trustee will agree to a general unsecured claim in the amount of \$2,891. If you agree to this, we will send you a stipulation to sign. As an FYI, this does not mean you will be paid that amount – only that you will have an allowed claim for that amount. We currently expect the distribution in this case to be between approximately 10 cent and 20 cents on the dollar. Please let us know.
